Purpose(s) :

The Mobilization Common Operating Picture System (MOBCOP) will provide a portal for authorization, management, accountability, mobilization, deployment, redeployment, and demobilization of Active, Reserve, and National Guard Soldiers and Units. MOBCOP

is used by authorized officials within the Army in performing all administrative functions with respect to personnel assigned against mobilization requirements in the system and for monitoring and processing requests for mobilization and demobilization. Jointly, facilitate Service force providers (Air Force/Navy/Marine Corps) requesting and scheduling "Army unit" required training before entering into CENTCOM's theater of operations.

Routine uses of records maintained in the system, including categories of users and the purposes of such uses:

In addition to those disclosures generally permitted under Title 5 U.S.C. 552a(b) of the Privacy Act of 1974, as amended, these records contained therein may specifically be disclosed outside the Department of Defense as a routine use pursuant to Title 5 U.S.C. 552a(b)(3) as follows:

The DoD Blanket Routine Uses published at the beginning of the Army's compilation of record system notices may apply to this system.

Policies and practices for storing, retrieving, accessing, retaining, and disposing of records in the system:

Storage:

Electronic storage media.

Retrievability:

Retrieved by SSN and/or any combination of the data fields described in the Categories of Records.

Safeguards:

All Mobilization Common Operating Picture (MOBCOP) servers are located in the Pentagon, Washington, DC and access is controlled by the Information Management Support Center (IMCEN). All COOP servers are located remotely with controlled access as well. Access to this record system is restricted to authorized personnel in performance of official duties. Entry into the system requires login and password. The system employs secure socket layer certificate and the Social Security Number data is encrypted to provide further protection.
